WHO WE ARE

At Kodex Africa we are building an ecosystem of people and products to drive the digital transformation of Africa through strategic alignments with customers and communities. Through our flagship brand offerings- Kodex Academy, Kodex Build, and thespace.ng- we are developing a pipeline of African tech talents equipped with the skills, support, and network that they need to solve African problems.

OUR CORE VALUES

TEAMWORK:

We believe in the power of collaboration and working together to achieve common goals.

EXCELLENCE/QUALITY:

We are committed to delivering exceptional quality in all our services and products.

ENABLING LEARNING ENVIRONMENT:

We create an environment that fosters continuous learning and growth for our students.

COLLABORATION:

We leverage strategic partnerships and collaborations to drive innovation and achieve.

FLEXIBILITY:

We adapt and evolve to meet the changing needs of our clients and the dynamic tech industry.

OUR STRATEGY

#One(1)

We leverage strategic partnerships and collaborations in building the next generation of Africa's Innovators.

#Two(2)

Through our pair-peer learning model, we build a community of problem solvers.

#Three(3)

By interpreting our client's vision, we deliver satisfying services that yield business growth and increase their scoop of influence.

OUR GOAL

Regional Expansion 🌍

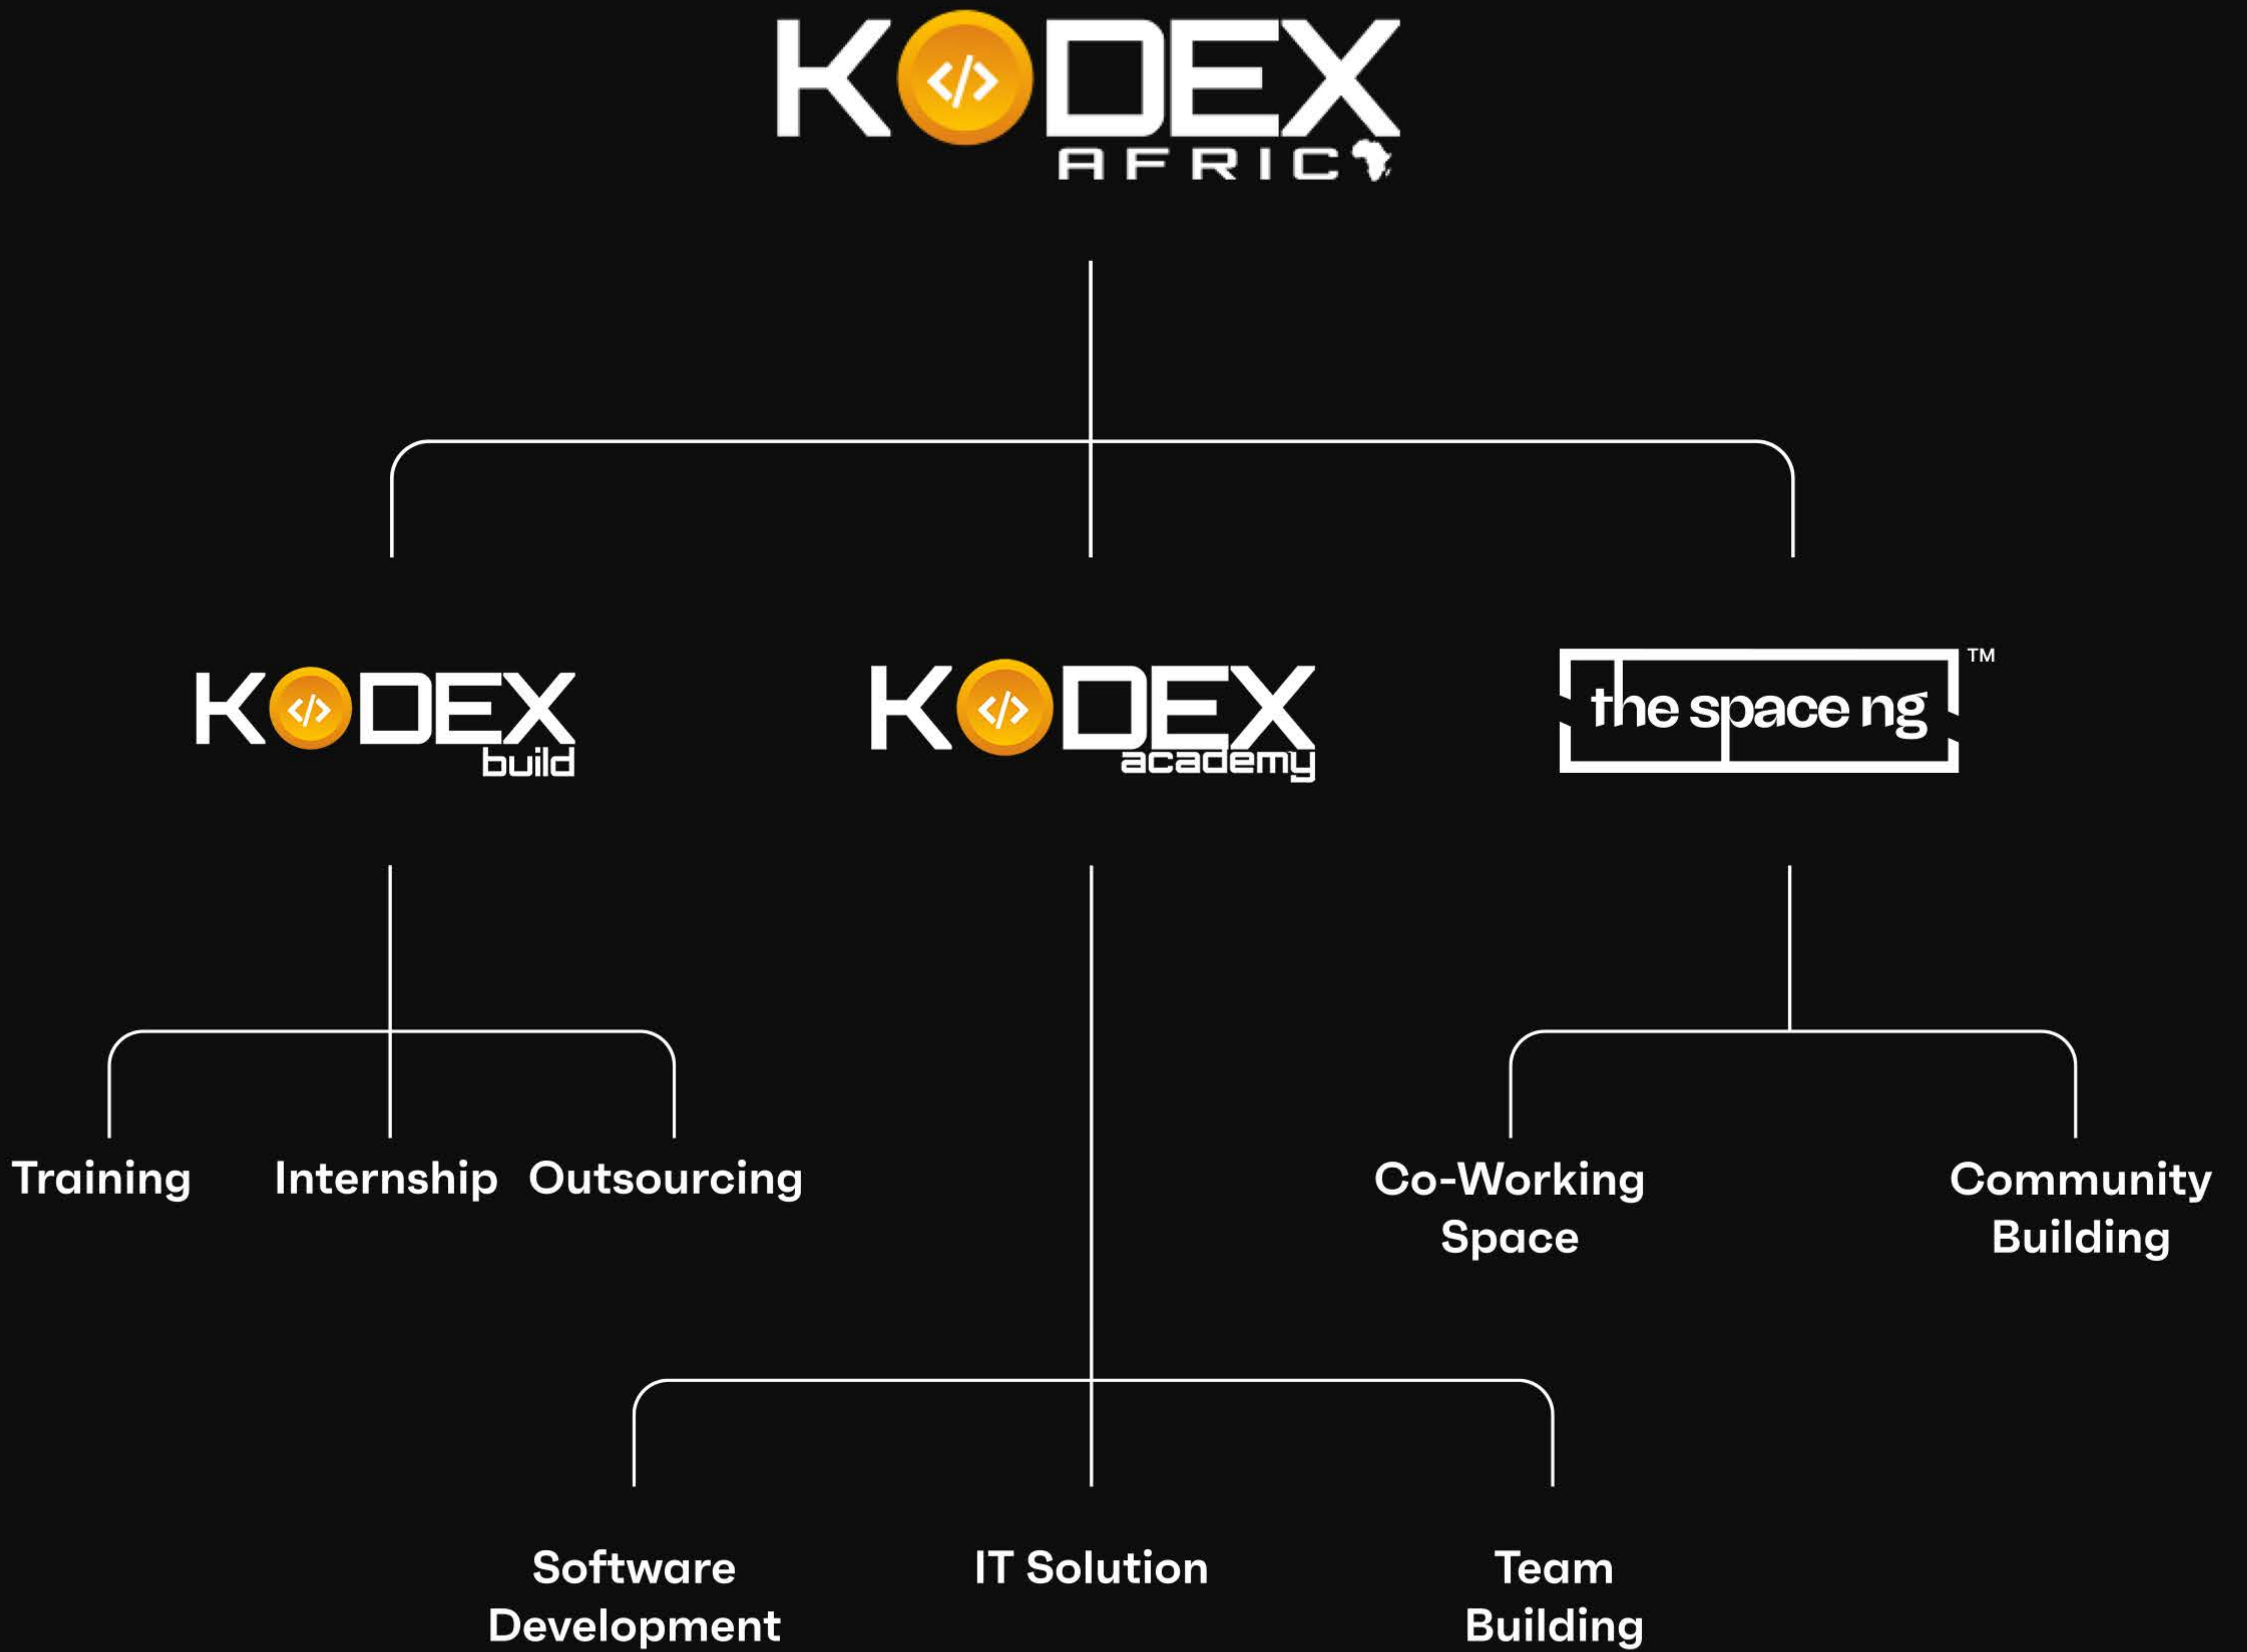

To train and support Tech Entrepreneurs 🧑💻

To ensure team and personal growth 💪

OUR STRUCTURE

OUR PRODUCTS

KODEX AFRICA

KODEX ACADEMY

Kodex Academy offers a comprehensive range of courses in full-stack web development, mobile app development, UI/UX design, and data analysis. As an impact-oriented organization, we have successfully trained and equipped more than 100 young individuals within the last two years. Through our strategic partnership with Founders Institute, Lagos, we provide internship opportunities for our students.

Mission:

Our mission at Kodex Academy is to provide top-notch training and education to Africa's next generation of tech disruptors, innovators, entrepreneurs, and leaders. We aim to equip our students with the skills and knowledge needed to excel in the rapidly evolving tech industry.

Vision:

Our vision for Kodex Academy is to be a leading tech academy in Nigeria and Africa as a whole, renowned for producing highly skilled professionals who drive innovation and make a positive impact on society.

KODEX BUILD

Kodex Build is a full-service development shop that offers cutting-edge product development services to corporate and individual clients. At the core of our existence is the desire to deliver work that works. Kodex Build plays a central role in our ecosystem strategy, providing our community of talents with access to growth opportunities.

Mission:

At Kodex Build, our mission is to deliver exceptional and cost-effective IT solutions to our clients. We aim to understand their vision and goals, and through strategic partnerships and collaborations, we provide customized software development, mobile app development, web hosting, data management, result management, inventory solutions, IT support, troubleshooting, and UI/UX design services.

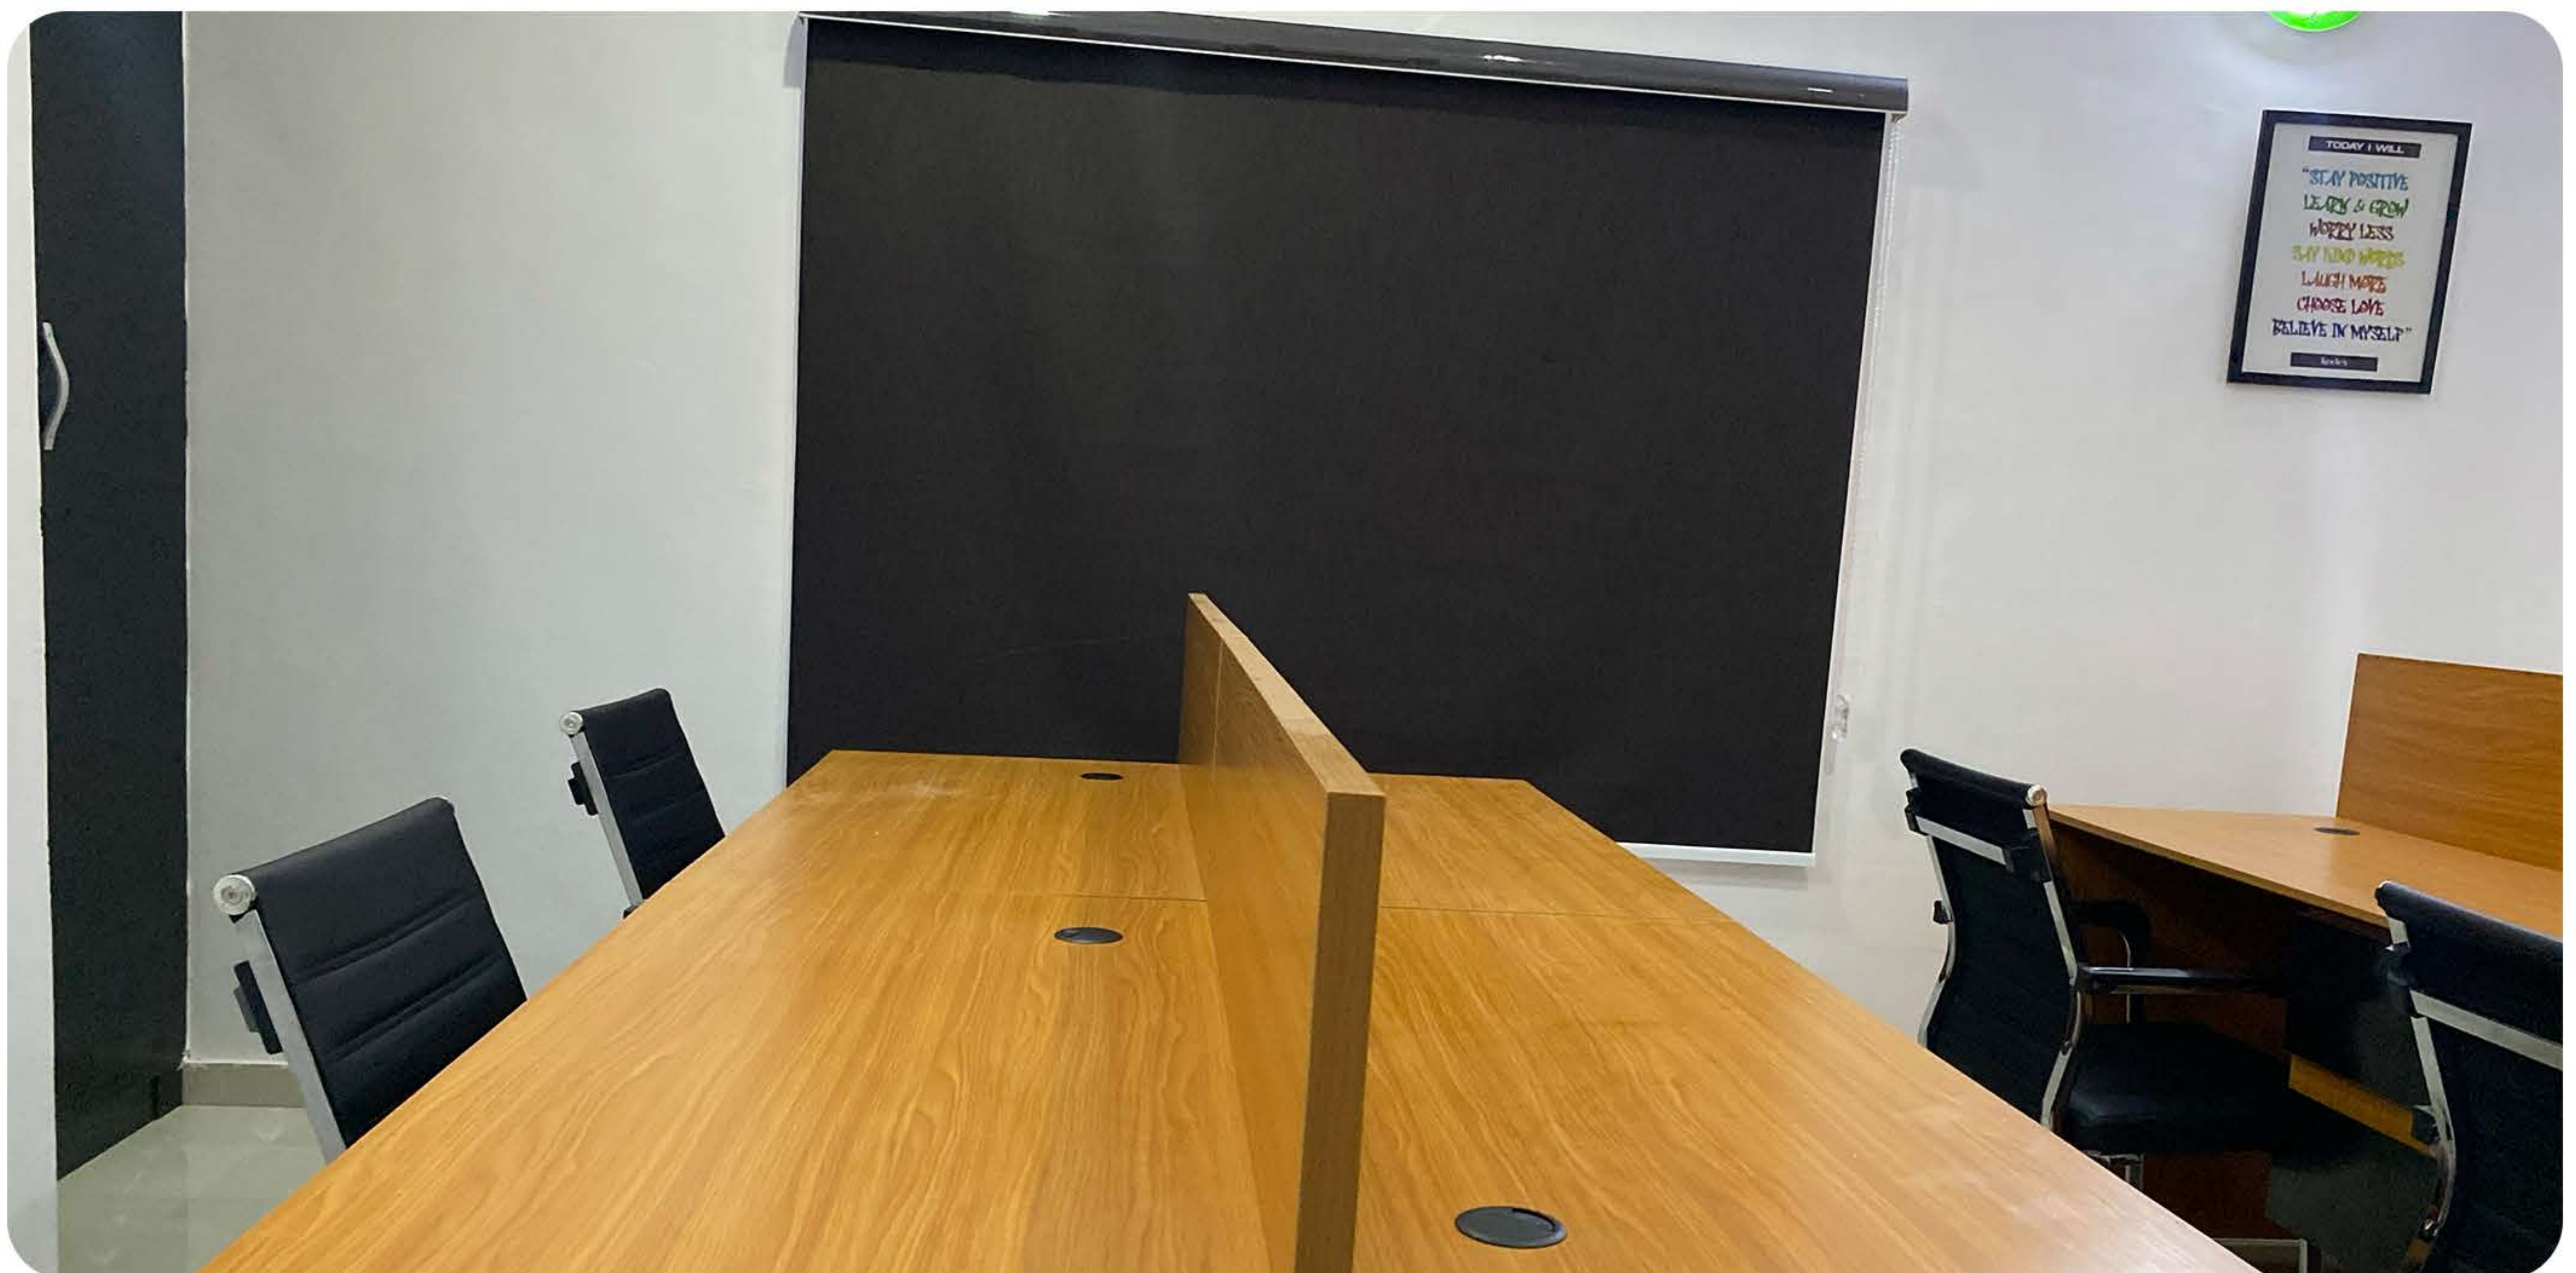

Vision:

Our vision for Kodex Build is to be recognized as a foremost IT solution provider, offering cutting-edge solutions that drive business growth and increase the influence of our clients in their respective industries.

THE SPACE NG

We want to create a space and community that connects entrepreneurs, professionals and creatives with growth opportunities and fosters collaboration

Mission:

The Space NG aims to create a vibrant and supportive co-working environment for creatives, corporate workers, and startup entrepreneurs. Our mission is to foster a community that networks, nurtures, and supports each other, providing the resources and atmosphere needed to thrive.

Vision:

Our vision for The Space NG is to be a premier co-working space that goes beyond physical infrastructure, building a community that inspires collaboration, creativity, and success.

CONCLUSION

We are continuously refining our services and products to drive the digital transformation of Africa, building an ecosystem of people and products to solve African problems and make a positive impact on society.
